28 December 1971

MEMORANDUM FOR: Director of Medical Services

ATTENTION : Personnel Officer

SUBJECT : Personnel Requirement

1. Confirming previous conversations, this is to verify the requirement for an additional contract slot for a Medical Technician at the OSA [redacted] This 25X1 would be a two year contract at the GS-08 level.

2. Due to the fact that the Medical Technician currently stationed at this Detachment is supposedly providing a 24-hour service on a 7 days a week basis, it is imperative that this position be established, enabling him to fully provide this service.

3. Accordingly, it is requested that the Office of Medical Services provide a Medical Technician at this level as soon as possible for assignment under contract to this Detachment.
